

## **“I am DONE” checklist**

You have written the body (due Feb 6):

- the before (causes)
- the during (all about the conflict itself)
- the after (the effects)

You have finished the rest (due Feb. 13):

- the introduction
- the conclusion
- the List of Works Consulted—work on this as you use your sources!

You have done a carefully reading for editing:

- Spellcheck.
- Make sure all your tenses are consistent.
- Make sure you have NO contractions (except in quotations).
- Make sure you have NO first or second person pronouns (except in quotations).

You have gotten at least two peer readers and one adult to check your work. Ask people who have already had their work checked by me.

Once you have finished all the things on this list, you can come tell be you are DONE!
