

According to EnglishCLUB, the ten most common interjections are:

ah
hey
hello
hi
hmm
no
oh
wow
yeah
yes

Hey, most of the time you need to separate your interjection from the rest of the sentence with a comma.

Here are some other common ones:

er
huh
ok
ouch
please
uh
uh-huh
well
yay

Please my I have your attention?
Sometimes you won't use a comma.

Uh-oh, no one is listening.

Some more you might be familiar with include:

absolutely
aha
all right
anyhow
bah humbug
dang
darn
doh
drat
hooray
jeez
nah
pew
oops
rats
shoot
ugh
woah
yay
yikes

Oops! Sometimes interjections will be a sentence all by themselves.

Can you do well on the quiz?

Absolutely!

INTER = between

JECT = throw

An interjection is a word or short phrase thrown between sentences or inside a sentence, interrupting it.
